Present

TURA/TRI Update

Tuesday, May 23, 2006

9:00 – 10:30 A.M.

Worcester Regional Chamber of Commerce

It's that time of the year again! Rich Bizzozero from the Massachusetts Office of Technical Assistance will present an overview of this year's reporting requirements. His presentation will review the differences in TURA and TRI reporting and cover frequently asked reporting questions. Rich will talk about the basics of e-filing this year's Form-S and he will highlight some of proposed legislative changes to the TURA statute. This is your chance to ask questions or discuss your personal situation in a small group and comfortable atmosphere.

The Central Massachusetts Business Environmental Network (CMBEN), organized in 1997, consists of manufacturers in the Central Massachusetts area. The purpose of this network is to address environmental, health, and safety issues as well as to discuss individual issues and methods to effectively satisfy compliance requirements in a non-regulatory format. CMBEN is always seeking new members.

The Central Massachusetts Business Environmental Network has representation from some of the region's largest businesses with years of experience in EHS compliance. Take advantage of this know-how by attending this and other informative sessions, including:

Wednesday, September 13, 2006 – Hazardous Material Transportation/DOT Regulations (at Allegro)

Tuesday, December 12, 2006 – NPDES/Storm Water Permitting (at WRCC)

Tuesday, February 12, 2007 – NFPA 70E, Electrical Safety and Arc Flash Protection (at Abbott)

If you would like to join CMBEN, contact Mary Hubbard at the Worcester Regional Chamber of Commerce (508.753.2924, mhubbard@worcesterchamber.org) or any of the CMBEN chairpersons:
